Copyrights represented

Songtrust removes the complexity of the publishing landscape and offers detailed access to data otherwise not directly available, helping songwriters, artists, producers, managers, publishers, labels, lawyers, distributors, and more, simplify music rights management and the administration of music publishing assets, performing rights, and digital licensing.

WHAT SONGTRUST OFFERS

- ✓ Registration with a collection society, if you're not already affiliated (we cover your application fee)
- ✓ One-stop global song registration with performance and mechanical collection societies worldwide, verified by ISRC data
- ✓ Global royalty collection
- ✓ Live international setlist submission so you can collect your live performance royalties
- ✓ Claiming and monetization tools for songs that stream on YouTube
- ✓ Responsive and sophisticated client services
- ✓ Authoritative, up-to-the-minute educational resources about songwriting and music publishing
- ✓ Detailed royalty reports and seamless payment by direct deposit

Songtrust provides solutions for corporate clients including **CD Baby, Distrokid, Downtown Music Publishing, The Orchard, Sub Pop Publishing, and Trap Nation**. Founded in 2011 and headquartered in New York City, Songtrust maintains the most extensive, accessible publishing network in the industry, with direct relationships with **45+ performance, mechanical, and digital societies globally covering 120+ territories**.
